MARKET REVIEW

KSE recorded marginal gains during the month, for the positive performance in heavy-weight stocks. On the economic front, the Kuwait government slashed spending and forecasted a deficit in its budget for the fiscal year 2015/16. Planned spending is budgeted at a decline of 17.8% compared to the planned spending in 2014/15. Total revenues are projected at KWD 12.05 Bn, down from KWD 20.07 Bn originally expected for the current year. In terms of sectorial performance, the heavyweight Banking index increased by 1.2%, due to strong returns recorded by a majority of the banks. NBK reported strong growth in total assets and loans and advances. Other noticeable index gainers included the Consumer Services and Industrial indices with gains in excess of 2%.
